SUMMARY

B.Tech Computer Science student with hands-on web development experience across a PHP internship and independent projects, including a 3D interactive portfolio (React, Three.js, AWS), an IoT-based fire alert system, and a Firebase e-commerce app. Comfortable working across front-end interfaces and back-end logic; looking to grow further in full-stack web development.

EXPERIENCE

PHP Intern | Voidek Webolutions, Bardoli

June 2025 – November 2025

- Built and styled 3–5 client-facing website pages using HTML, CSS, and JavaScript, translating design requirements into working front-end interfaces.
- Implemented PHP-based back-end logic to connect page functionality with dynamic content.
- Collaborated with the design and development team to test and refine pages for usability and cross-browser consistency.

PROJECTS

3D Interactive Portfolio Website

- Designed, engineered, and deployed a personal portfolio website from scratch as sole developer, using React, Three.js, and AWS.
- Built an immersive, 90s-inspired 3D experience to showcase projects in an interactive format rather than a traditional static page.

Fire Detection & Alert System

- Built a fire detection system using Arduino, fire/smoke sensors, and a SIM module that automatically places a call and sends an SMS alert when fire is detected.
- Integrated sensor input with real-time call/SMS alerting to cut response time and reduce dependency on manual monitoring.

Big Bazaar–style E-commerce Website

- Developed a Big Bazaar–inspired e-commerce web app using Firebase for backend data storage and authentication.
- Built product listing, cart, and user flow pages with HTML, CSS, and JavaScript.

SKILLS

Language Proficiency

TypeScript • JavaScript • Java • C++ • C • C# • SQL • HTML5 • CSS3 • PHP

Web Development & Frameworks

React.js • React Native • Three.js • MongoDB • Node • Express • React Navigation

EDUCATION

B.Tech, Computer Science and Technology

Uka Tarsadia University, Bardoli, India | July 2023 – Present

12th (PCM), GSEB

Navsari, Gujarat | June 2022 – March 2023

CERTIFICATIONS

- Introduction to Cyber Security — Simplilearn
- Digital Marketing with AI — IDEMI

LANGUAGES

English, Gujarati, Hindi (native)
